Right to Work: Eligible to work in the UK (share code available on request)

## Summary

Project delivery professional with experience across non-profit, consulting, and SaaS environments. Upper-junior / early-mid hire trusted with end-to-end delivery, governance, and stakeholder coordination in constrained, multi-party settings. Known for protecting timelines, stabilising delivery, and translating ambiguity into structured execution.

## Core Skills

Delivery & Governance: End-to-end coordination, change control, RAID, Agile / Waterfall

Operations & Reporting: PMO discipline, workflow stabilisation, financial dashboards

Stakeholders: Board reporting, donors / clients, cross-functional teams

Tools: Jira, Trello, Lark, Google / Microsoft Suites; AI tools used to improve reporting accuracy and consistency

## Experience

### Project Manager (Scholarship Programme) – Fugee.org (Liberty To Learn Sdn. Bhd.)

*Kuala Lumpur | Dec 2024 – Jun 2025*

- Ran the scholarship programme end-to-end (outreach → selection → onboarding), with budget tracking, RAID, documentation, and board/donor reporting.
- Designed a 5-year delivery plan endorsed by leadership, setting direction for programmes supporting 500+ refugee youth.
- Raised funds through crowdfunding campaigns through channels like GlobalGiving, validating alternative funding channels
- Expanded outreach to 1 new city, engaging 100+ youth and generating 20+ applications, meeting M&E equity targets.
- Built a financial dashboard consolidating fragmented data into clear cashflow visibility and multi-year fundraising targets, enabling board-level decisions.
- Streamlined application and selection workflows by standardising steps and decision criteria, improving transparency for applicants and donors.
- Produced board and public-facing reports to sustain stakeholder confidence and funding discussions.

### Associate Consultant – EASY Consulting Sdn. Bhd.

*Kuala Lumpur | Apr 2024 – Dec 2024*

- Delivered consulting workstreams end-to-end (ESG + org deliverables), coordinating multi-subsidiary inputs under fixed deadlines and driving first-pass submissions.
- Authored a Bursa Malaysia-compliant sustainability (ESG) statement for a Malaysian listed company, published in the 2024 Annual Report, meeting board and Bursa Malaysia Listing Requirements.
- Coordinated ESG data collection across 5 subsidiaries, cutting end-to-end data turnaround from ~4 weeks to 3-5 days and enabling on-time Bursa submissions under fixed deadlines.
- Delivered a HR policy for a multinational healthcare manufacturing group, standardising compensation and recruitment practices.
- Analysed engagement data from 650 staff for a foreign national organisation, translating survey results into practical recommendations that directly informed its 2025 organisational strategy.
- Developed a sustainability data collection framework delivered two months ahead of schedule, reducing future reporting risk and improving repeatability for subsequent reporting cycles.

### Project Manager – Blackdot Sdn. Bhd.

*Kuala Lumpur | Dec 2022 – Dec 2023*

- SaaS marketplace connecting customers with electricians, covering job posting > site visit > quote > approval/rejection, with a platform fee taken from customer spend.
- Coordinated vendor-led SaaS delivery end-to-end (4 phases), tracking milestones, controlling scope via change requests, and keeping stakeholders aligned through reporting.
- Introduced a change-request validation process, deterring ad-hoc scope changes and protecting delivery timelines.
- Maintained delivery discipline through milestone tracking, escalation, and structured stakeholder reporting.
